

# first click

get started with computers

- Never used a computer before?
- Always wanted to be able to type a document using a computer?
- Wondered what people are talking about when they say 'surf the net' or 'e-mail'?

- Interested in learning new skills?

If you answered yes to these questions then this is the course for you!

*Jacaranda Community Centre* regularly runs a free 4 week (2 x 2 hours sessions) beginner computer course at its Belmont Office (Wednesday's and Friday's). It's open to everyone; but numbers are limited. Call today to secure your place.

# second click

get clicking

- Do you know the basics and want to learn more?
- Not sure how to organise travel or bank online?
- Interested in learning more about the net and email?
- Would you like to improve your job prospects by increasing your computer skills?

If you've completed First Click or already have a basic understanding of computers and the internet then this is the course for you.

This 4 week (2 x 2 hour sessions) course is also FREE and available to anyone that is interested in increasing their computing skills.

Classes are held at Belmont City College, Room BT5 off Abernethy Road Tuesday's and Thursday's. 9.30 – 11.30 or 12.30 – 2.30

Phone *Jacaranda Community Centre* on 9477 4346 and ask for Tracey to book your place.
